MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Senior Administrators' Conference

1. This is in reply to your memorandum of 31 August 1958 requesting suggested discussion points for the forthcoming conference of senior administrators.

2. I have two suggested items:

a. Employment of Dependents at Overseas Posts

OTR has recently discussed with representatives of SSA-DD/S and the Office of Personnel some of the administrative and training problems associated with preparing wives for contractual employment overseas. This whole topic has perhaps received impetus as a result of the OCB report of 1958 and other developments. The OCB report recommends (Recommendation No. 20) "that all agencies make greater use of employable dependents already at posts whenever practicable." Developments such as this have obvious implications for the Office of Training.

b. Deep Cover Programs in DD/P

It would be helpful to have some indication of the scope and pace of these programs and their support and training implications.
